To Whom it May Concern

## Runcom TVWS Base Station RNU4000-TVWS

1. Runcom TVWS Base Station RNU4000-TVWS is part of a broadband wireless access solution that Runcom offers to its customers.
2. The purpose of Runcom TVWS solution is to provide Point-to-Multipoint Broadband Internet Access in rural areas.
3. The target customers for this product are Wireless Internet Service Providers (WISPs) in rural and remote areas that need to provide broadband Internet access to customers ( subscribers) that are beyond trees, hills and other obstacles that prevent from the classical Line of Sight ( LOS) wireless solutions to provide a reliable link.

Yours sincerely,
