

The image shows the back cover of a mobile phone, which is black and has a textured surface. At the top, there is a rectangular cutout for a camera lens and a flash. Below this, there are some faint, embossed icons, possibly representing a battery or a power button. A white rectangular label is pasted onto the back cover, containing the text "FCC Label Location" in a bold, black, sans-serif font. The label is positioned in the center-right area of the back cover. The phone is shown from a slightly elevated angle, and the background is a plain, light-colored surface.

**FCC Label
Location**
