

Model No.: **S9III GNSS** Input: Battery 7.2V= 0.5A

Contains transmitter modules:

UHF:
FCC ID: E5MDS-TRM450
IC: 3738A-TRM450

Bluetooth QD-ID: B011904
FCC ID: Y44-B2029
IC: 9932A-B2029

GSM:

FCC ID: R17GC864Q2
IC: 5131A-GC864Q2

CE 0890 ①

This device complies with part 15 of the FCC Rules.
Operation is subject to the following two conditions:

(1) This device may not cause harmful interference,
and (2) this device must accept any interference received,
including interference that may cause undesired operation.
