Correspondence Number	Memo
YBE3090AC-1	<p>1) Please indicate the type of modulation employed by the device in the 2.4 GHz mode. A: I uploaded a new operational description.</p> <p>2) Please provide another letter of authority addressed to CETCB. A: I uploaded a new letter of authority.</p> <p>3) Please provide another TCB submittal letter that states the correct FCC ID. A: I uploaded a new TCB submittal letter.</p> <p>4) The block diagram submitted is not sufficient. As per section 2.1033(b)(5) of the FCC rules, the block diagram must show “the frequency of all oscillators used in the device. The signal path and frequency shall be indicated at each block. The tuning range(s) and intermediate frequency(ies) shall be indicated at each block.” A: I uploaded a new block diagram</p> <p>5) Please provide sufficient schematics. The schematics provided do not include any components related to the antennas and some of the component values do not match what is shown on the internal photos. A: I uploaded new schematics including the antennas.</p> <p>6) Please include internal photos of the EUT that shows the internal construction and component placement. A: I uploaded more detailed internal photos.</p>
