

REV	DESCRIPTION	ECN	DATE	REV. BY	APVD

Technical drawing of a rectangular component, likely a circuit board or a metal plate, showing its dimensions and mounting holes. The component is 15.38 units wide and 11.55 units high. A central slot is 2.50 units wide and 1.75 units high. The component is mounted on a larger structure with a thickness of 1.25 units. The drawing includes a side view of the component and various mounting holes indicated by circles with crosses.
