

Label Photographs and Location

Label size : 30 mm * 17 mm

 <p>This device complies with part 15 of the FCC Rules. Operation is subject to the following two conditions: (1) This device may not cause harmful interference, and (2) this device must accept any interference received, including interference that may cause undesired operation.</p> <p>RoHS compliant</p> <p>HVIN : ELITE8-2CH FCC ID : YCK-ELITE8 IC : 23402-ELITE8 Model : ELITE8-2CH</p> <p>BLACKVUE Input:12-24V ---1A PMN : Car Dashcam</p>	 <p>This device complies with part 15 of the FCC Rules. Operation is subject to the following two conditions: (1) This device may not cause harmful interference, and (2) this device must accept any interference received, including interference that may cause undesired operation.</p> <p>RoHS compliant</p> <p>HVIN : ELITE8-1CH FCC ID : YCK-ELITE8 IC : 23402-ELITE8 Model : ELITE8-1CH</p> <p>BLACKVUE Input:12-24V ---1A PMN : Car Dashcam</p>
 <p>This device complies with part 15 of the FCC Rules. Operation is subject to the following two conditions: (1) This device may not cause harmful interference, and (2) this device must accept any interference received, including interference that may cause undesired operation.</p> <p>RoHS compliant</p> <p>HVIN : ELITE8-2CH Pro FCC ID : YCK-ELITE8 IC : 23402-ELITE8 Model : ELITE8-2CH Pro</p> <p>BLACKVUE Input:12-24V ---1A PMN : Car Dashcam</p>	 <p>This device complies with part 15 of the FCC Rules. Operation is subject to the following two conditions: (1) This device may not cause harmful interference, and (2) this device must accept any interference received, including interference that may cause undesired operation.</p> <p>RoHS compliant</p> <p>HVIN : ELITE8-1CH Pro FCC ID : YCK-ELITE8 IC : 23402-ELITE8 Model : ELITE8-1CH Pro</p> <p>BLACKVUE Input:12-24V ---1A PMN : Car Dashcam</p>

 <p>This device complies with part 15 of the FCC Rules. Operation is subject to the following two conditions: (1) This device may not cause harmful interference, and (2) this device must accept any interference received, including interference that may cause undesired operation.</p>  <p>HVIN : ELITE8-2CH Plus FCC ID : YCK-ELITE8 IC : 23402-ELITE8 Model : ELITE8-2CH Plus BLACKVUE Input:12-24V --- 1A PMN : Car Dashcam</p> 	 <p>This device complies with part 15 of the FCC Rules. Operation is subject to the following two conditions: (1) This device may not cause harmful interference, and (2) this device must accept any interference received, including interference that may cause undesired operation.</p>  <p>HVIN : ELITE8-1CH Plus FCC ID : YCK-ELITE8 IC : 23402-ELITE8 Model : ELITE8-1CH Plus BLACKVUE Input:12-24V --- 1A PMN : Car Dashcam</p> 
 <p>This device complies with part 15 of the FCC Rules. Operation is subject to the following two conditions: (1) This device may not cause harmful interference, and (2) this device must accept any interference received, including interference that may cause undesired operation.</p>  <p>HVIN : ELITE8-2CH IR FCC ID : YCK-ELITE8 IC : 23402-ELITE8 Model : ELITE8-2CH IR BLACKVUE Input:12-24V --- 1A PMN : Car Dashcam</p> 	 <p>This device complies with part 15 of the FCC Rules. Operation is subject to the following two conditions: (1) This device may not cause harmful interference, and (2) this device must accept any interference received, including interference that may cause undesired operation.</p>  <p>HVIN : ELITE8-2CH Truck FCC ID : YCK-ELITE8 IC : 23402-ELITE8 Model : ELITE8-2CH Truck BLACKVUE Input:12-24V --- 1A PMN : Car Dashcam</p> 
 <p>This device complies with part 15 of the FCC Rules. Operation is subject to the following two conditions: (1) This device may not cause harmful interference, and (2) this device must accept any interference received, including interference that may cause undesired operation.</p>  <p>HVIN : DR800 GOLD PRO-2CH FCC ID : YCK-ELITE8 IC : 23402-ELITE8 Model : DR800 GOLD PRO-2CH BLACKVUE Input:12-24V --- 1A PMN : Car Dashcam</p> 	 <p>This device complies with part 15 of the FCC Rules. Operation is subject to the following two conditions: (1) This device may not cause harmful interference, and (2) this device must accept any interference received, including interference that may cause undesired operation.</p>  <p>HVIN : DR800 GOLD PRO-1CH FCC ID : YCK-ELITE8 IC : 23402-ELITE8 Model : DR800 GOLD PRO-1CH BLACKVUE Input:12-24V --- 1A PMN : Car Dashcam</p>
