Re: YCP-32WBA5MMG01

To Whom It May Concern:

We are submitting an application for **Modular Approval** for our Model **STM32WBA5MMG** with ID **YCP-32WBA5MMG01**.

This product is a **Bluetooth Low Energy and IEEE 802.15.4 radio module**

This application contains the test report and all supporting documentation for this type of application certification request.

Sincerely,

Signature:
