Dear Charvey,

Good day~

Thanks so much for your email.

Refer to this project, it is sure that both long-term and short-term confidentiality are requested,  
 A big favor could you please start the reviewing at the same time, we will separate and send the SAR report and SAR Test photos no later than tomorrow afternoon our time.  
 Much appreciated for your kind understanding~

Have a nice day @\_#  
 Best regards,  
 Cathy

Dear Steve, Country and Cathy,

You are listed as the Technical Contact for the above referenced TCB application. The following item(s) need(s) to be resolved before the review can be continued:

10/5/2010

1. The Confidentiality Request letter lists the Test Setup Photos as Short Term Confidential. The SAR report submitted, which can not be held confidential, contains the SAR setup photos. If you wish for the SAR setup photos to be held as short-term confidential, then please send a replacement SAR test report with the photos removed (you have already submitted a separate exhibit for the SAR setup

The items indicated above must be submitted before processing can continue on the above referenced application. Failure to provide the requested information within 30 days of the original e-mail date may result in application dismissal and forfeiture of the filing fee. Also, please note that partial responses increase processing time and should not be submitted. Any questions about the content of this correspondence should be directed to the e-mail address listed below the name of the sender. Revised documentation should not be emailed, but instead should be submitted through "Add Attachment" function at the UL-CCS website. Please have your Assessment Number and FCC ID/IC Certification number handy. You may use the following link: <https://cert.ccsemc.com/filing/>

Best regards,

Chris Harvey
