

Declaration of Modification (Permissive Change)

Hereby,

Name of manufacturer: Medimetrics Personalized Drug Delivery B.V.

Address: High Tech Campus 5 (HTC5.2-041)

City: 5656 AE Eindhoven

Country: The Netherlands

declares that regarding the previously FCC certified equipment:

Product description: Short Range Device

Type designation(s): Capsule

Trademark: IntelliCap

FCC ID: YDVINTELLICAP-CI

the following modifications were made :

Supplier of the flex PCB (Printed Circuit Board) substrate (electronics circuit carrier) has been changed in order to improve quality and reliability. The electronics (all circuitry) remained unchanged. Nevertheless the technology used for production differs significantly. Simply explained in one case a solid substrate was used and the electronics layers were deposited on top, in the other the layers were deposited on a carrier (substrate) that was removed at the end.
