

## **Circuit Description**

Our product D65TSG is a 6.2" wide screen TFT LCD high-definition media player monitor , in HW portion , it's assembled as below,

Main PCBA: IC 3SF9454, AT9257, PT2579, 7313, BA4558, TDA7388, 78L05, 78L08 and their peripheral components.

8601 Module: IC TCC8061, and their peripheral components.

Servo PCBA: IC S1L9226, S5L9290, IP4001, AMS117, SHINNY LOADER, 30PIN FFC WIRE and their peripheral components.

Connecter PCBA: Bluetooth module BTTM47C2SA and their peripheral components.

Key Board: LCD DIRVE IC CT6523, LCD, USB SOCKET, 3.0 EARPHONE JACK and their peripheral components.
