July 30<sup>th</sup>, 2010

**To:** FCC

**Subject:** Submission of copies of 2-Grant Notices originally issued to module identified as WH7A8000 as requested by the FCC correspondence # 39070.

**Reference:** FCC ID: YMMGC484538  
Model: M2MVector G1(A)  
Trade Name: M2MVest, LLC

Two grant notices are attached as requested.

The objective of the request is to obtain grant notices for the module identified with FCC ID: YMMGC484538. The new label also contains new model number and supplier name changes.

This new module is a label change only and is identical to the originally certified module shown in the grant notices.
