Federal Communications Commission  
Authorization and Evaluation Division  
Office of Engineering and Technology Laboratory Division  
7435 Oakland Mills Rd.  
Columbia MD 21046-1609

RE: Request for confidentiality regarding application for certification of FCC ID: YMV-C110

To Whom It May Concern:

Pursuant to Sections 0.457 and 0.459 of Commission's rules (47 CFR §§0.457, 0.459), Bringrr Systems, LLC., hereby requests confidential treatment for documents filed with the commission in connection with the application for certification referenced above as follows.

**Permanent Confidentiality**

Bringrr requests that the Commission withhold the following documents from public viewing indefinitely:

1. Block Diagram
2. Operational Description
3. Schematic

These documents reveal detailed technical and design information that is protected by Bringrr as confidential and proprietary trade secrets. This information has been disclosed to those required to maintain its confidentiality, and is not customarily disclosed to the public even after commercial release of the device. As a result, disclosure of this information by the Commission would harm Bringrr by giving competitors an unfair market advantage even after commercial release of the device.

Sincerely,

---

Heng Pan

Vice President of Engineering
