User Manual

Preface

Warning

Do not attempt to service WUSA product yourself. Never attempt to open nor disassemble your WUSA product. For all service, please contact your local authorized service center.

Changes or modifications not expressly approved by the party responsible for compliance could void the user's authority to operate the equipment. This equipment complies with FCC RF radiation exposure limits set forth for an uncontrolled environment. This device and its antenna must not be co-located or operating in conjunction with any other antenna or transmitter.

This device complies with Part 15 of the FCC Rules. Operation is subject to the following two conditions:

- (1) This device may not cause harmful interference, and
- (2) This device must accept any interference received, including interference that may cause undesired operation.

注意事項

請勿擅自變更本產品的任何零件。產品維修請洽各區域之經銷商或授權維修中心。本產品符合低功率電波輻射性電機管理辦法之檢測，依該法第十二條與第十四條規定：

1. 經型式認證合格之低功率射頻電機，非經許可，公司、商號或使用者均不得擅自變更頻率、加大功率或變更原設計之特性及功能。
2. 低功率射電機之使用不得影響飛航安全及干擾合法通信；經發現有干擾現象時，應立即停用，並改善至無干擾時方得繼續使用。前項合法通信，指依電信法規定作業之無線電通信。低功率射頻電機須忍受合法通信或工業、科學及醫療用電波輻射性電機設備之干擾。

Getting Started

Pairing K220 with your Bluetooth® devices

- Step 1. Set your Bluetooth® device to pairing mode or discovering a new device.
- Step 2. Hold the 'P' while K220 is OFF until the Blue and Red lights are blinking.
- Step 3. The pairing code is '0000'.
- Step 4. When pairing light turns to Blue, K220 is ready for your Bluetooth® devices.

Play music from K220

- Step 1. Link K220 with your Bluetooth® Device.
- Step 2. Set audio output in your Bluetooth® device to K220.
- Step 3. K220 will perform as a wireless speaker of your Bluetooth® device.
- Step 4. You may control the volume and select the track if your Bluetooth® device is compliant with Bluetooth® AVRCP profile.

Phone answering

- Step 1. Link K220 with your Bluetooth® mobile phone.
- Step 2. Click 'P' on the control pad to pick up or hang up the phone call.
- Step 3. You may call out your last number by double click the 'P'.

Head light control

- Step 1. Press the Head Light Control button at the control pad to turn ON the light.
- Step 2. Keep pressing the button, the light will be changed from Full Bright mode, Power Saving mode, Flashing mode and OFF.

Charging

- Step 1. Connect the USB cable to USB port for charging.
- Step 2. The RED charging light ('+') will turn OFF when the battery is fully charged.

Installation K220 on your bike

- Step 1. Mount the ring bracket onto your bike handle bar.
- Step 2. Cut the rubber pads to the desired length that fit your bike and ring bracket. Fasten the screw with the docking adaptor at desired tilt angle.
- Step 3. Slide K220 into the docking adaptor with your desired direction..
- Step 4. Please keep the docking clip securely locked when mounting your K220 on the bike.

Bag Clip

For your convenience in hiking or any outdoors activities, K220 can be hanged on your bag with Bag Clip.

Warranty

Thank you for purchasing WUSA product. You are entitled to one (1) year limited warranty service according to the terms and conditions in the limited warranty statement within the warranty period in the country or locality where the WUSA product is marketed.

The warranty period starts on the date of purchase. Your dated sales receipt, which shows the date of purchase, is your proof of your purchase date. You may be required to provide the date of purchase as a condition of receiving warranty service.

Your WUSA product is warranted to be free from defects in material and workmanship under the normal use during the limited warranty period except the scratch on the appearance. Battery life is not warranted. As with all batteries, battery capacity will decrease with time or use.

The defective material of your returned WUSA product will be repaired or replaced with the new, or equivalent to new, spared material in the provided warranty service. The replacement part takes on either the limited warranty status of the removed part, or the thirty (30) day limited warranty of the spare part, whichever is longer.

Customer Service

Your WUSA product is designed with the latest technology to provide a trouble free operation. Based on your purchase agreement, you are offered with variety technical support options*. Should you think your WUSA product needs technical support or repair, please contact your local dealer or WUSA authorized service center for service.

**Your service program is only valid in the region where your WUSA product is purchased, and NOT transferable to another country or region.*
