EUT Housing and Board View 1	 A photograph showing the EUT housing and board from a top-down perspective. The housing is a white, rectangular plastic component with a green printed circuit board (PCB) mounted inside. Two black wires are connected to the top of the board. A metal shield is visible on the left side of the board. The assembly is placed on a blue surface next to a black ruler with white markings for scale.
Solder Board-Component View 1	 A photograph showing the solder board-component from a top-down perspective. The component is a green PCB with various electronic components, including a yellow electrolytic capacitor, a black integrated circuit, and several resistors. Two black wires are connected to the top of the board. The component is placed on a blue surface next to a black ruler with white markings for scale.
