Subject: Certification Application  
FCC ID: YONDNW101020-00

It is requested that the following information is to be held confidential on behalf of A & R Cambridge (Arcam) pursuant to FCC Rule Parts 0.457 & 0.459:

1. Bill of Materials
2. Block Diagrams
3. Operational Description
4. Schematic Diagrams

These documents should remain confidential as they show the design of the product in full. At the time of presentation no other competitor products use the same method of extracting and re-clocking the Bluetooth audio stream which we use as a unique selling point so it would result in significant competitive harm to our brand if a competitor used the same design in the market.

Yours sincerely
