Declaration of product usage distances.

FCC ID: YPHDEB1135-100

Under normal conditions of use this unit will be mounted at ceiling height in locked cupboards/ closets. The unit will be secured to a wall using adhesive pads which once in place create a semi permanent fixing which can not be removed easily.

During operation these units remain secured to the wall/ ceiling thereby always maintaining a distance greater than 20cm from the human body.

Reference the Installation Recommendations section in "1135-100 Hub Mode & Gateway Mode Installation & Operation Guide V1 09-05-11"

A handwritten signature in black ink, appearing to read "SM".
