Attention: Application Examiner

Re: Class 2 permissive change for new style integral antenna

Applicant: Peel Technologies Inc.

FCC ID: YRIPLF01

Original grant date: 7 September 2010

To whom it may concern,

A new design integral antenna has been developed for the referenced device. Radiated emissions data for spurious, harmonic, and band edge emissions show that the new modification continues to meet the emissions limits in the Rules

If you have questions or need further information please contact the undersigned.
