for iAccessories

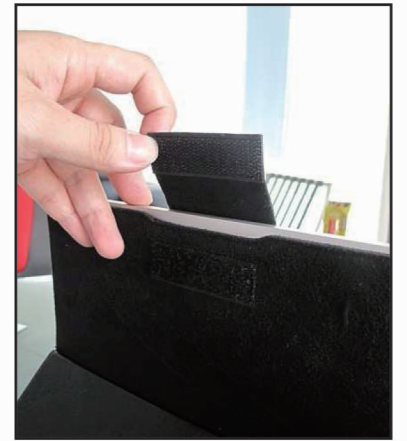

①

②

## Installation

Place your iPad into the Rubata Keyboard case and secure with the velcro tab.

Place the Rubata Keyboard into the laptop position.

③

Turn the power on. The power light on top right of the keyboard will illuminate for a few seconds.

While the Rubata Keyboard is charging, the top left recharge light will illuminate.

④

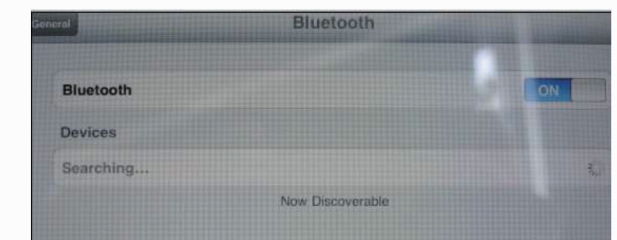

To pair the Rubata Keyboard with your iPad, click the SETTINGS icon on the iPad.

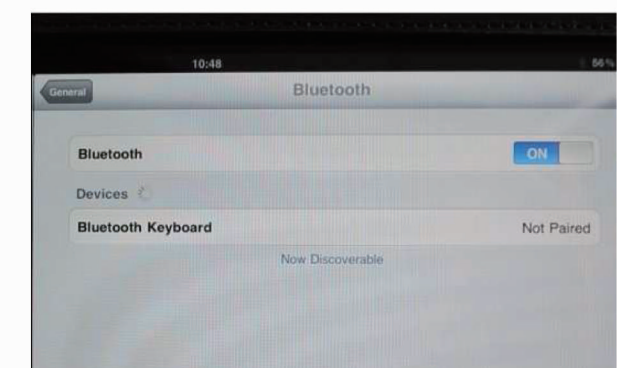

Click to open BLUETOOTH and slide the button to ON.

⑤

Press the Bluetooth button on the side of the Rubata Keyboard and the Bluetooth icon on the top right of the keyboard will flash. The iPad will now search for Bluetooth devices to pair to.

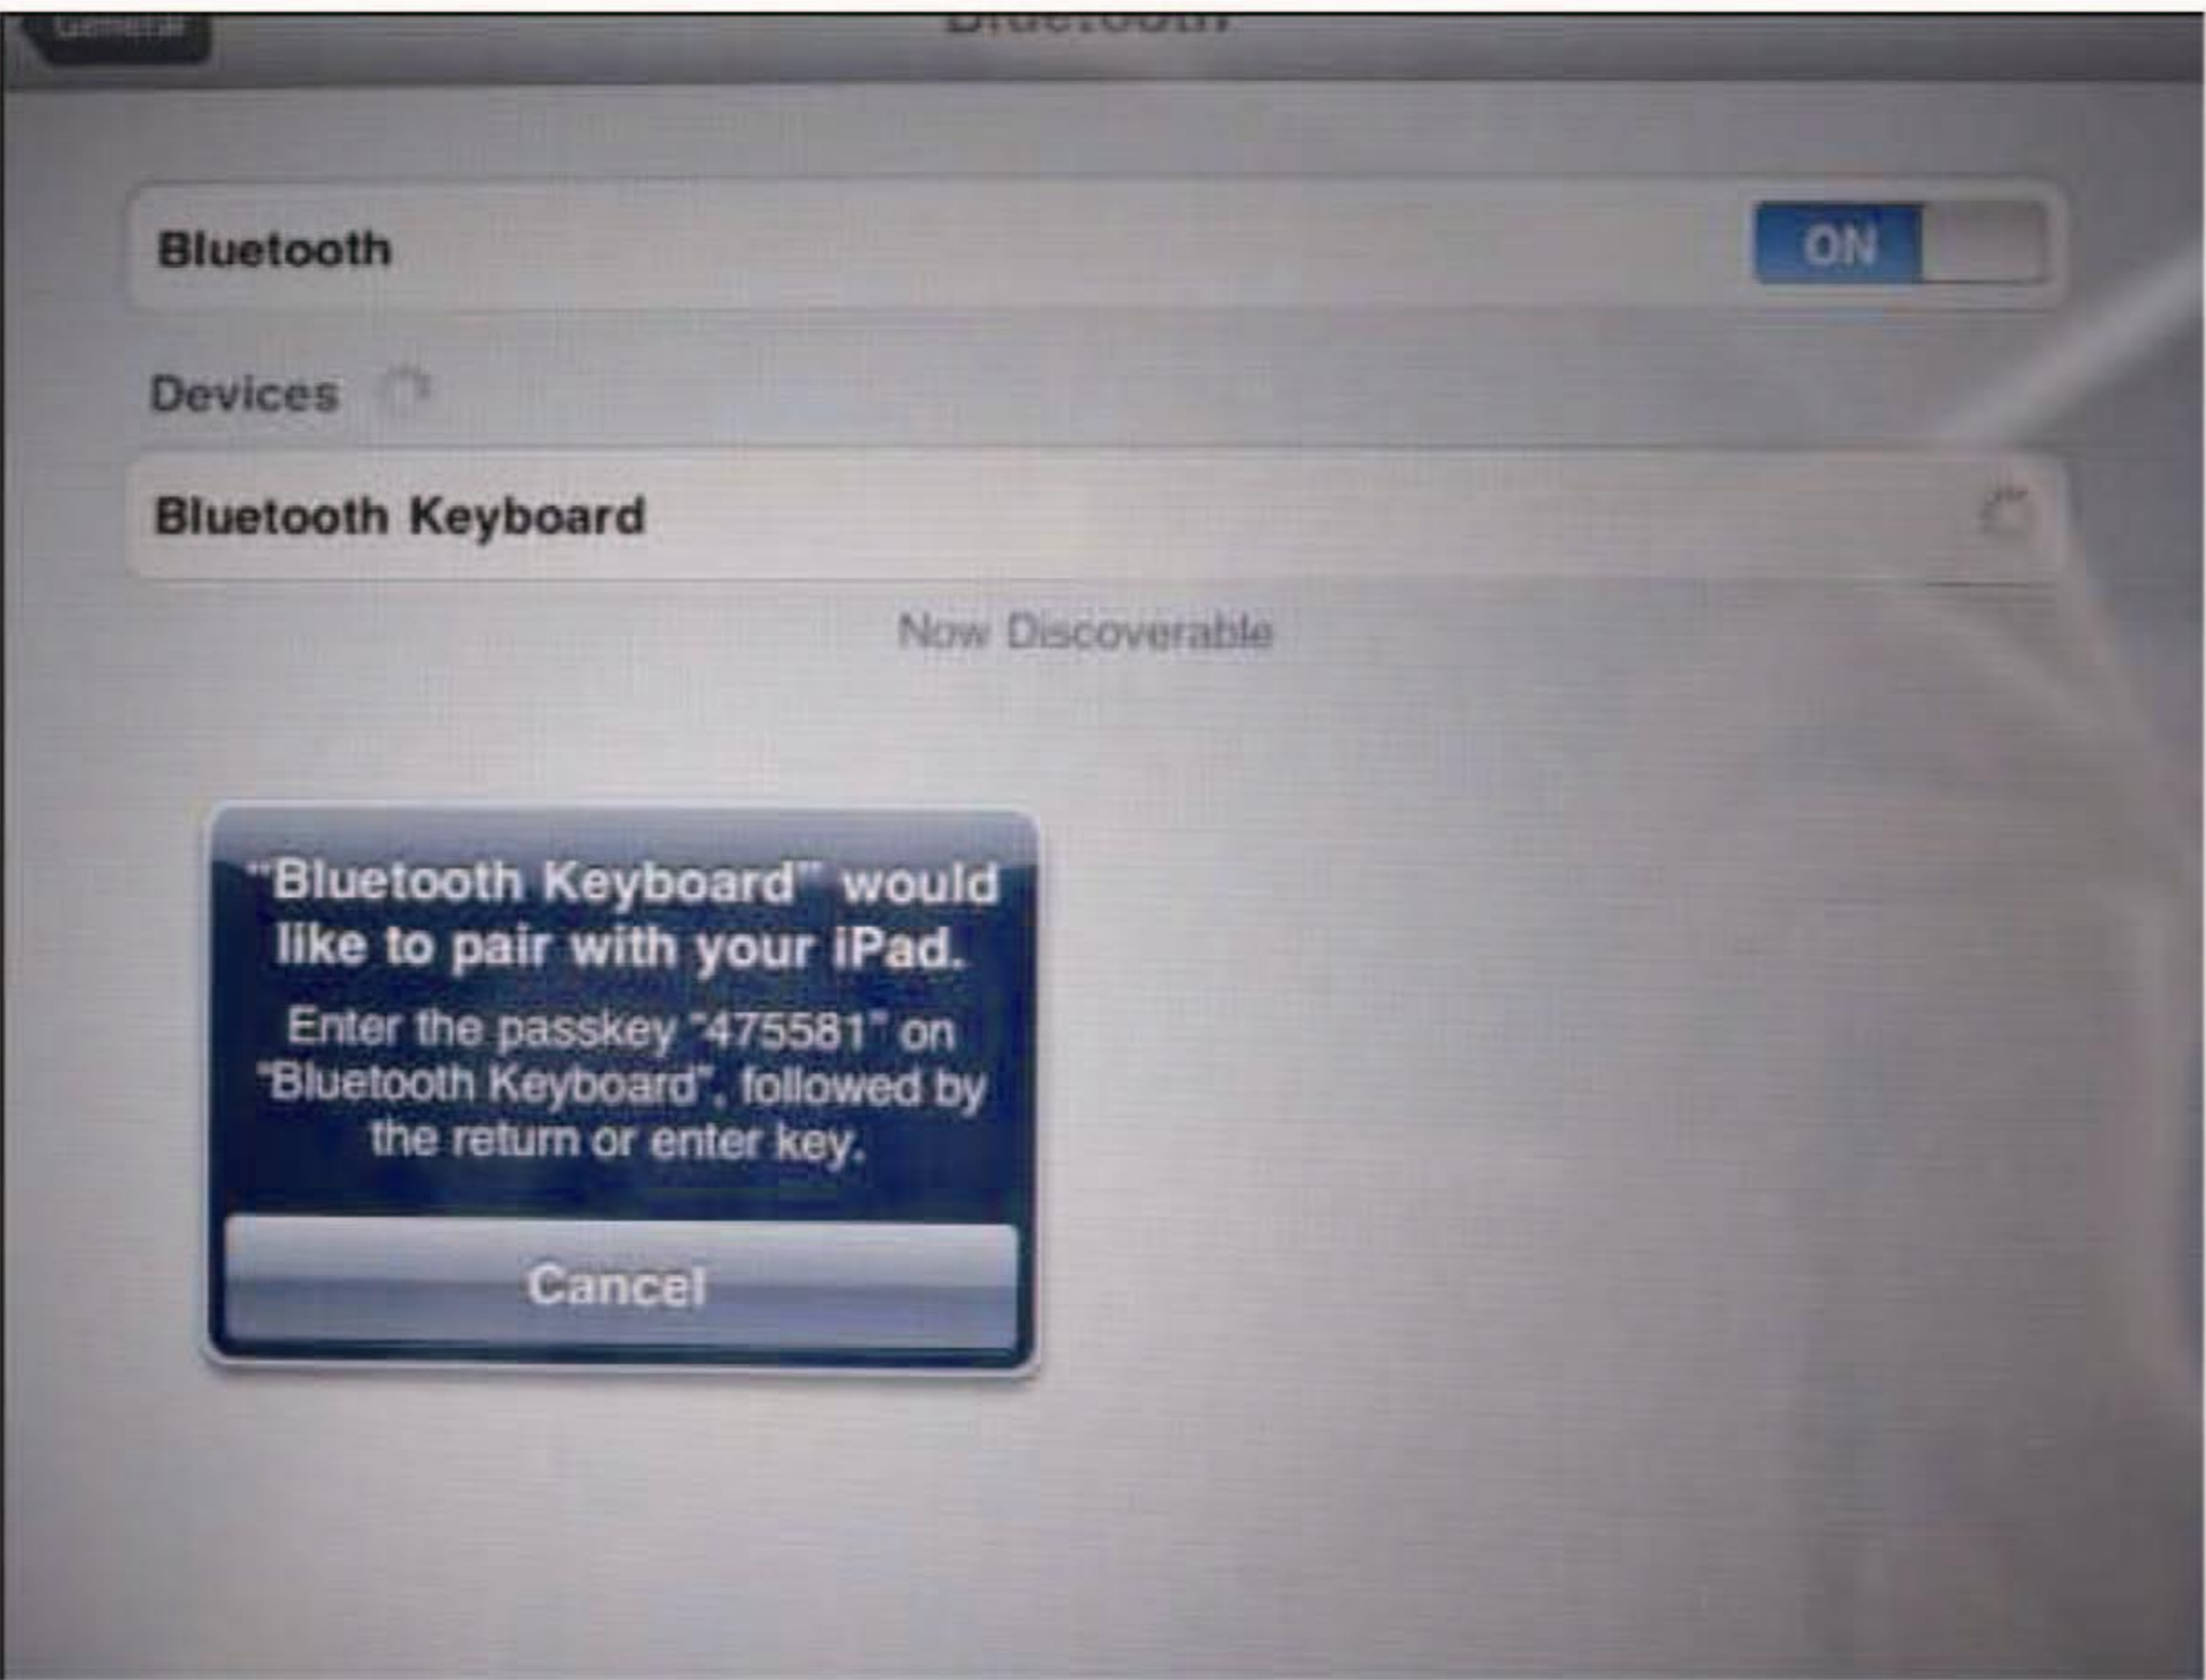

Select the BLUETOOTH KEYBOARD option.

⑥

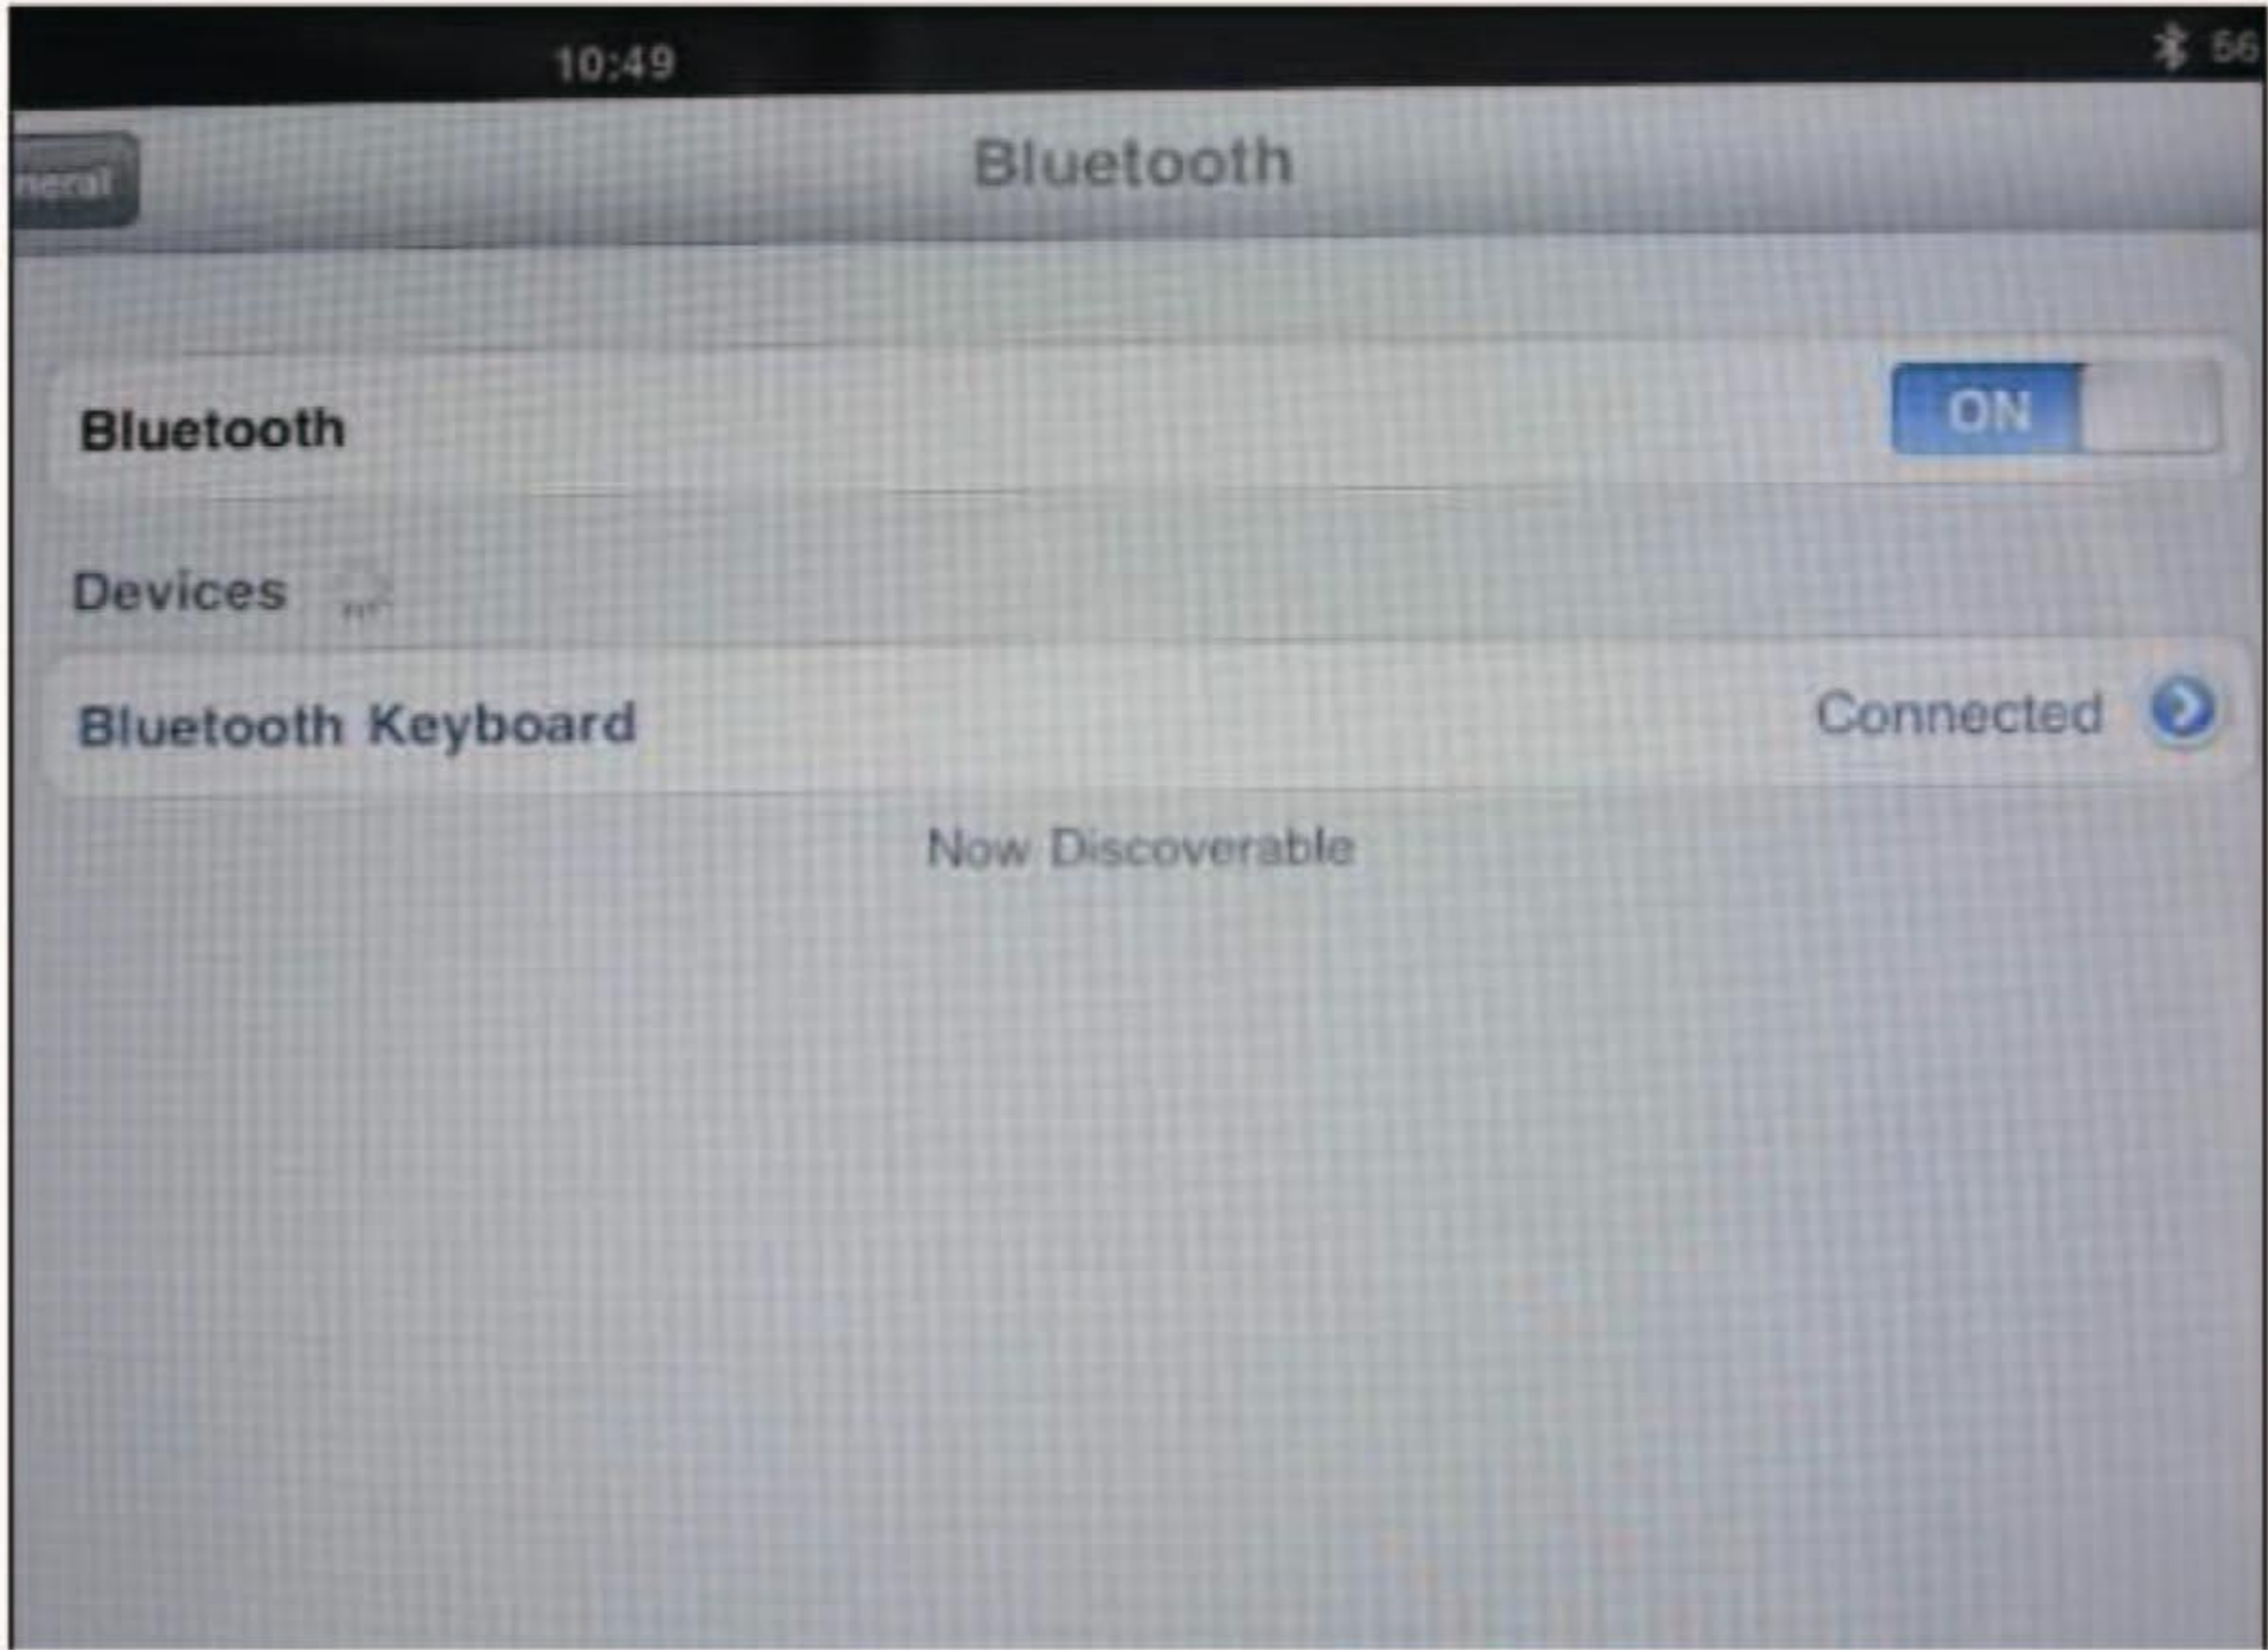

Using the Rubata Keyboard, enter the passkey that appears on your iPad screen, followed by the ENTER key.

7

The iPad will show BLUETOOTH KEYBOARD under devices when it has successfully paired with the Rubata Keyboard.

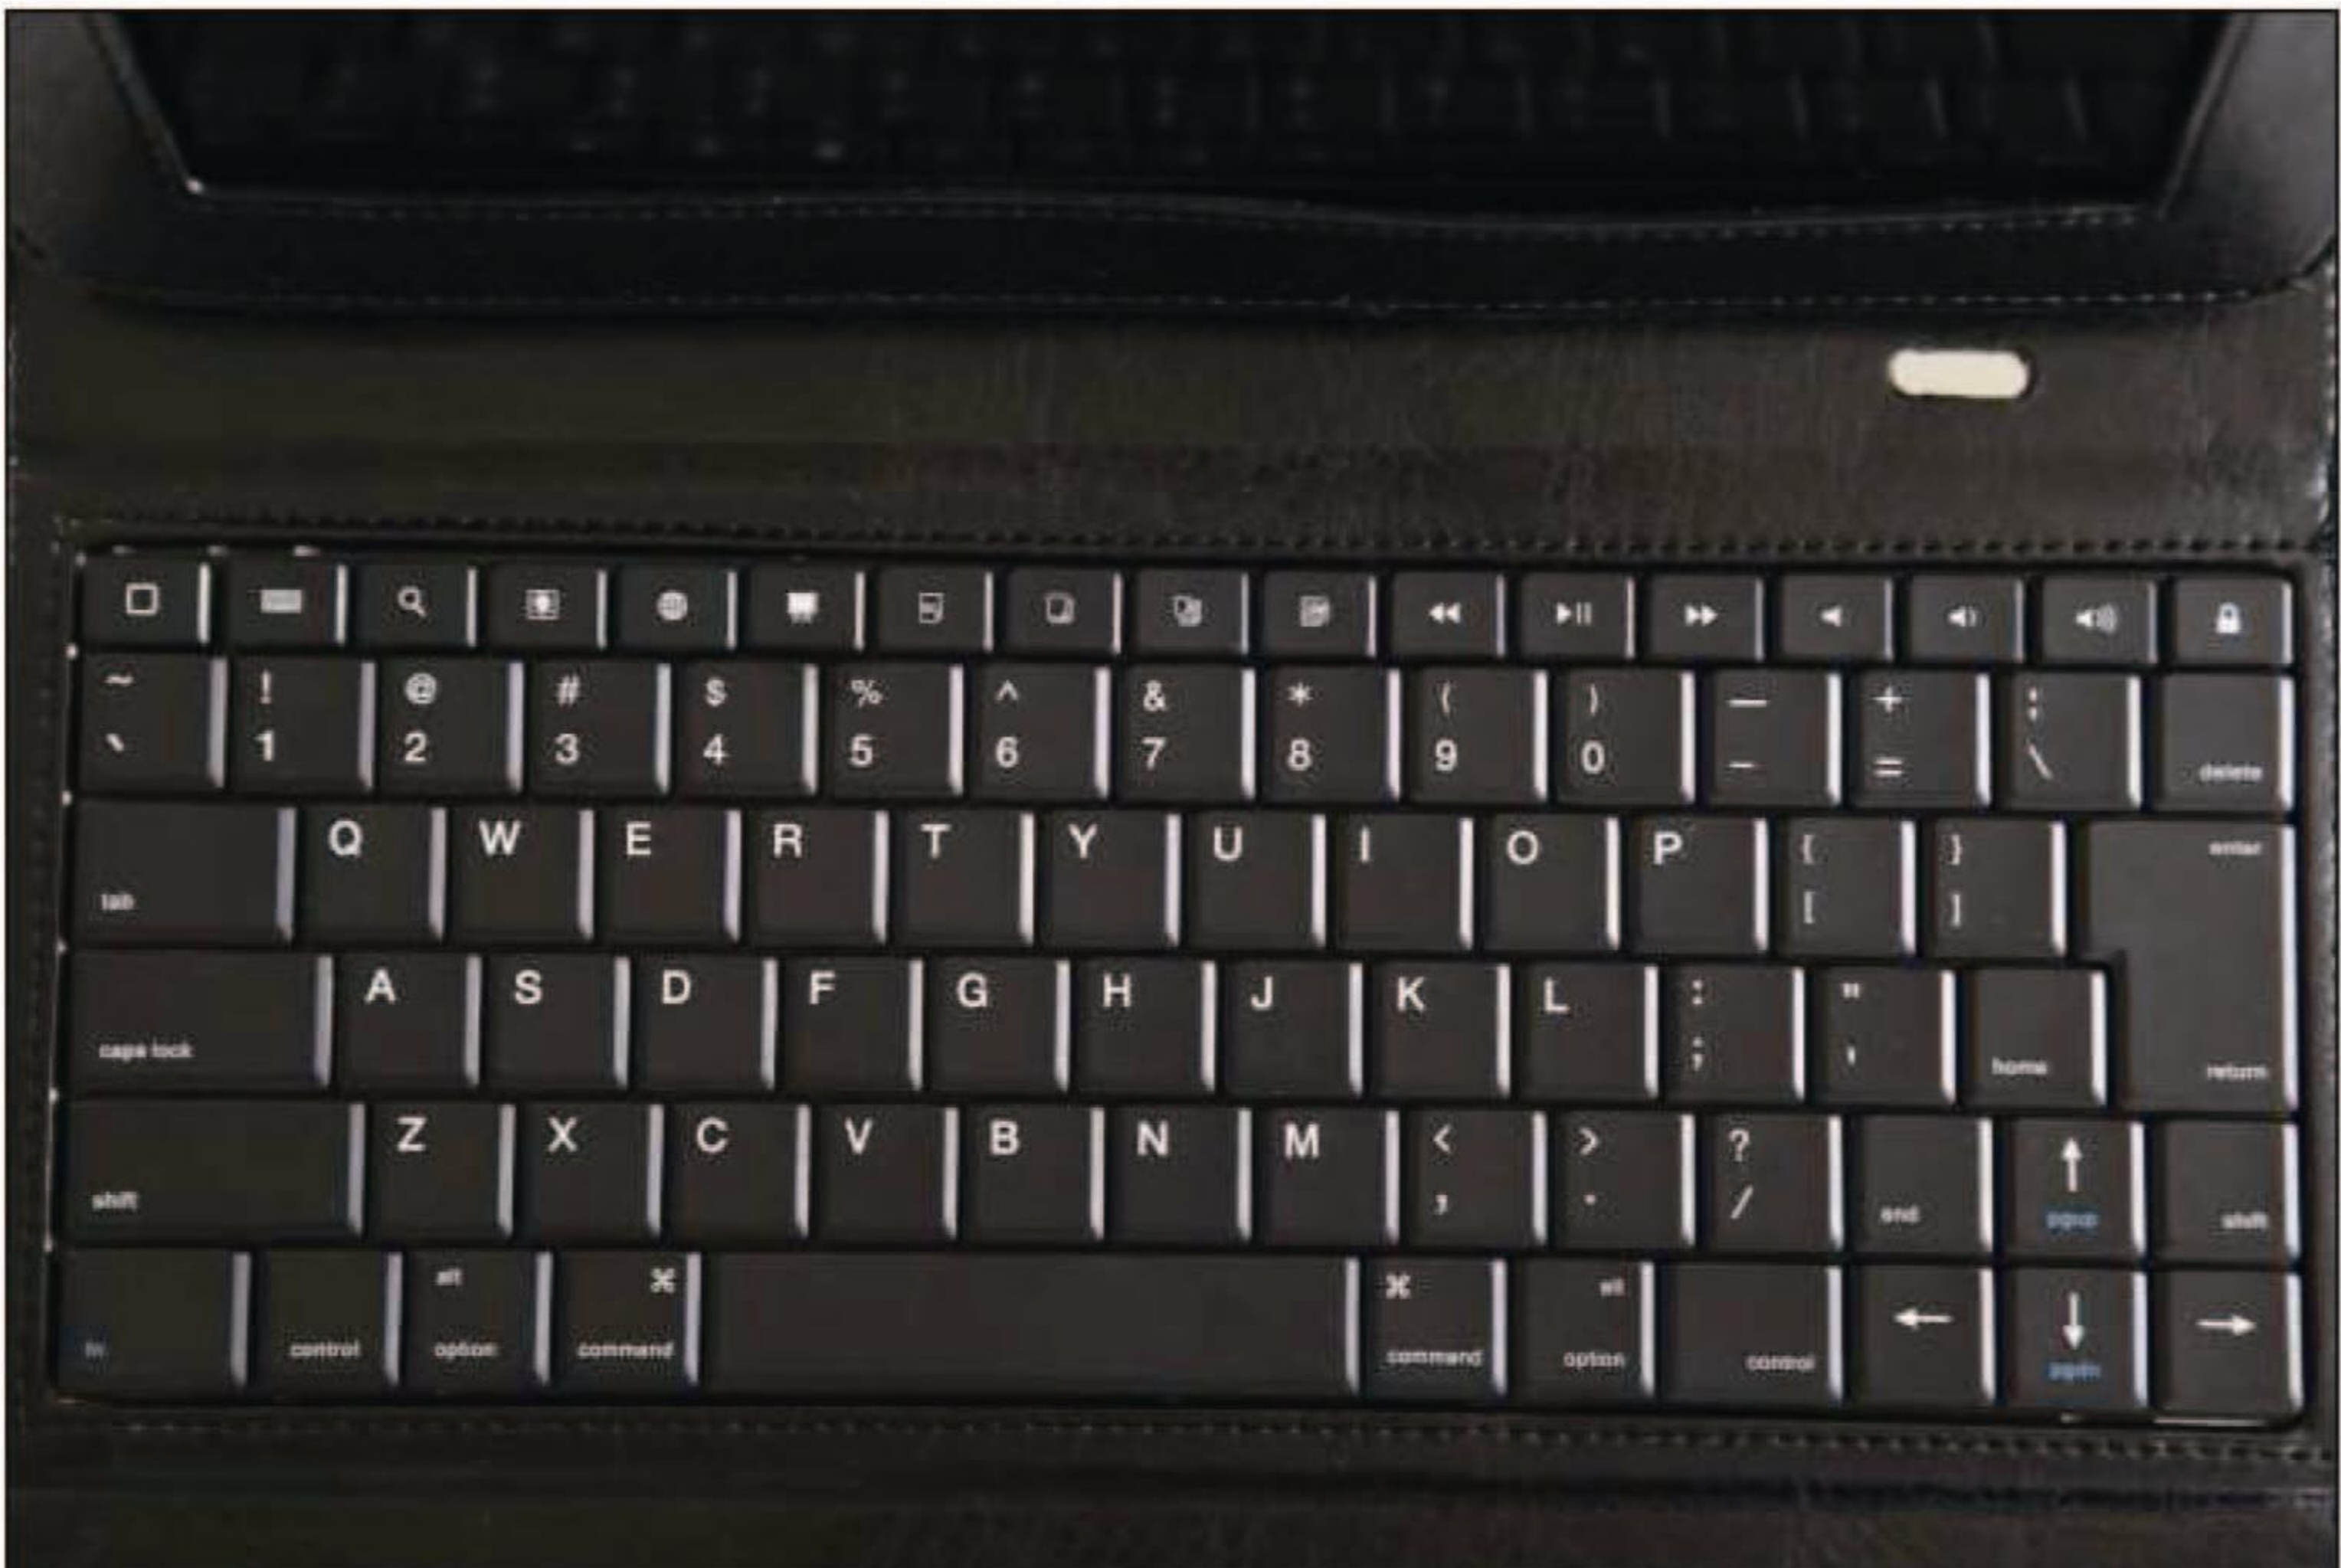

8

The Rubata Keyboard is now ready to use with your iPad.

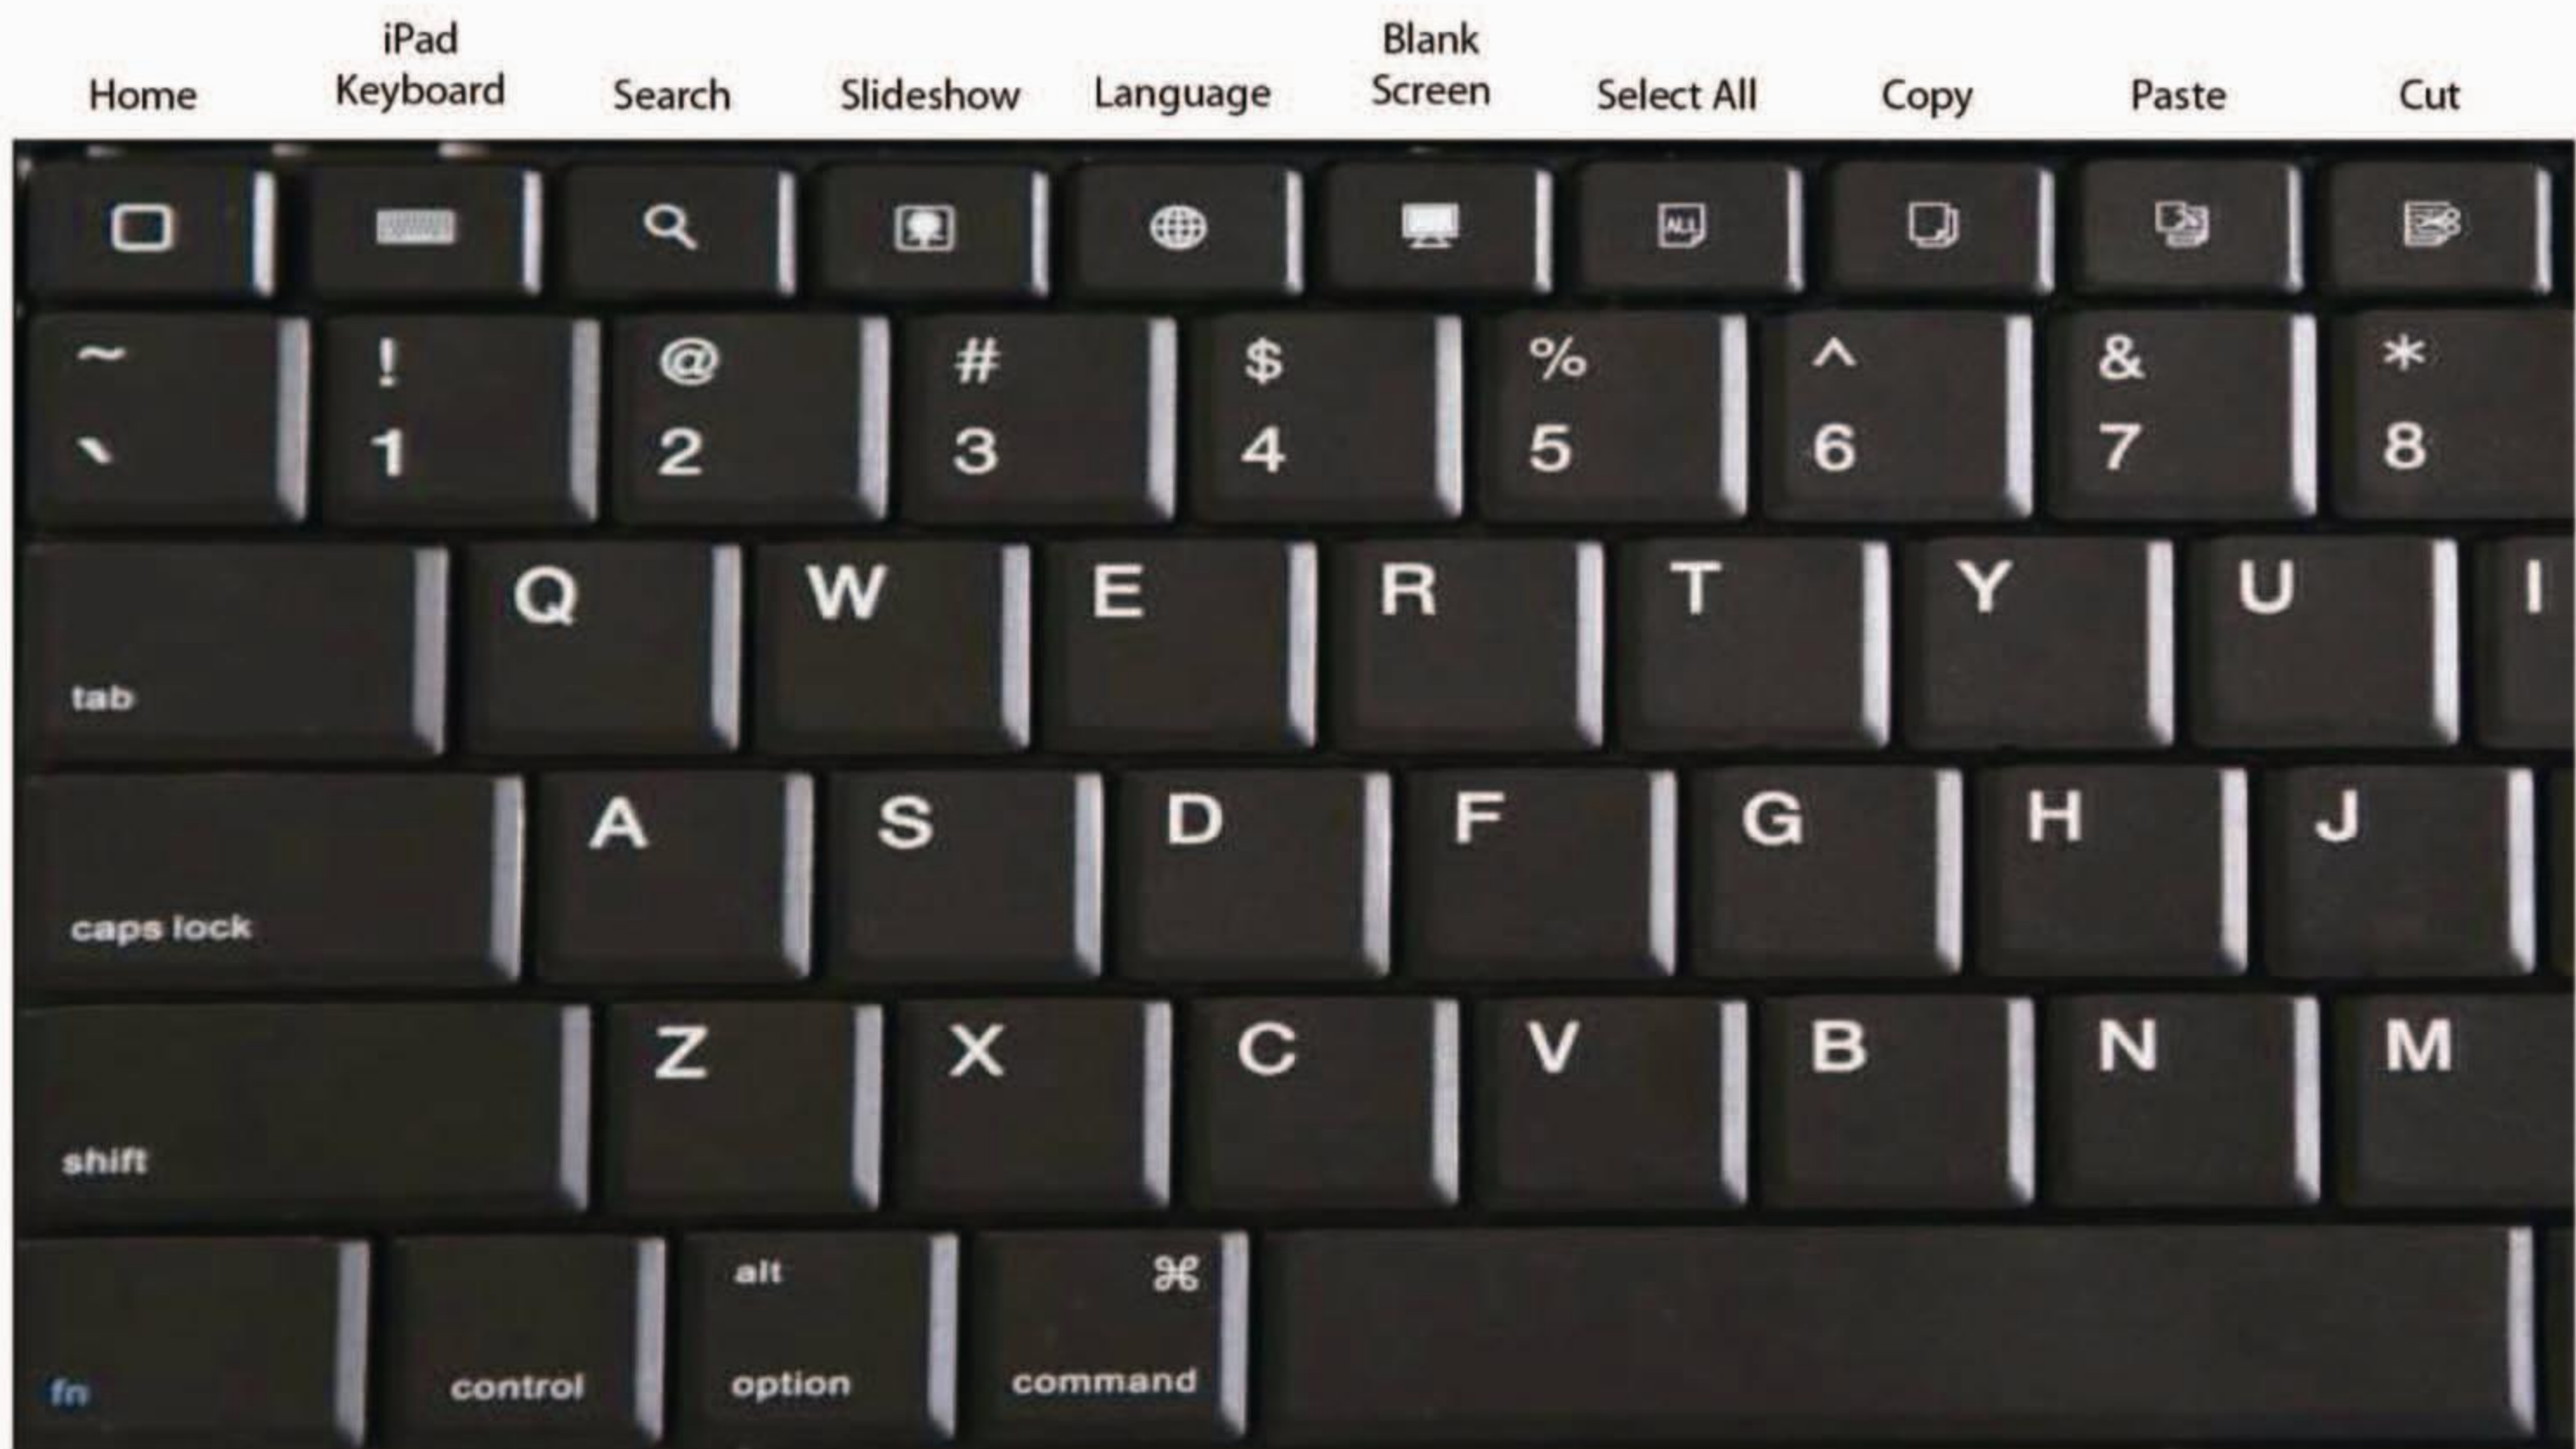

9

The Rubata Keyboard has 84 keys including a row of keys dedicated to the iPad.

10

The top row of the Rubata Keyboard is dedicated to the iPad. A selection of the keys is shown below.
