

## Tune Up Description

### Tech Specifications:

|   |   |
|---|---|
| <b>Product</b>                              | Walkie Talkie   |
| <b>Brand Name</b>                           |  |
| <b>Model Number</b>                         | 7910  |
| <b>Series Model Name:</b>                   | N/A   |
| <b>Series Model Difference description:</b> | N/A   |
| <b>Power Supply:</b>                        | DC 3.7V Supplied by Adapter AC 100-240V,50Hz/60Hz, 0.5A                           |
| <b>Frequency Range:</b>                     | 462.550 MHz-467.7125 MHz  |
| <b>Modulation Technique:</b>                | FM  |
| <b>Channel Spacing:</b>                     | 12.5KHz   |
| <b>Channel Number:</b>                      | 22  |
| <b>Antenna Gain:</b>                        | 1.0 dBi   |
| <b>Rated Power:</b>                         | Maximum 0.37W   |
| <b>Temperature Range:</b>                   | -20°C-50°C  |
