Re: Letter of Agency for FCC & Industry Canada Compliance Testing

Please be advised that I appoint Peter J. Walsh, NCE of Walshire Labs, LLC to act as our agent in the preparation of this application for equipment certification. I certify that submitted documents properly describe the device or system for which equipment certification is sought. I also certify that each unit manufactured, imported or marketed, as defined in Federal Communication Commission's regulations will have affixed to it a label identical to that submitted for approval with this application.

For instances where our authorized agent signs the application for certification on our behalf, I acknowledge that all responsibility for complying with the conditions of certification still resides with Green Badge LLC D/B/A UgMO Technologies, 840 First Avenue, Suite 300, King of Prussia, PA 19406.
