Dear Sir or Madam:

Cubic Global Tracking Solutions respectfully requests confidentiality of certain materials provided with the submission of the MDC-2 under FCC ID: YVDMDC2 in accordance with 47 CFR 0.457(d) and 47 CFR 0.459. The confidentiality request applies to the System Block Diagram, Schematics, and Theory of Operation contained in this filing and included in the following files.

The MDC-2 has been developed at considerable effort and expense by Cubic Global Tracking Solutions. These items are considered as Trade Secrets and therefore public access to the proprietary material could possibly result in duplication of equipment that could severely damage the company's business advantage.

I appreciate your assistance in this matter.

Sincerely,
