Subject: Confidentiality Request; Certification Application FCC ID: YVF-VS200

Pursuant to Sections 0.457 and 0.459 of CFR 47 *Intelesens Limited* request that the following information, provided to support the FCC application for the *Equipment zensor Monitoring System*, FCC ID: YVF-VS200, be held permanently confidential:

- Operational Description
- Schematic Diagram
- Tune Up Document
- Bill of Materials

The above material contains trade secrets not customarily released to public that are judged to have the potential to cause detriment to the applicant and provide unjustified benefits to its competitors. This information should not be available for public disclosure for an indefinite period of time.

Short Term Confidentiality until 31 March 2016 Requested:

- External Photos
- Internal Photos
- User Manual
- Test Set-up Photographs

The above documents contain proprietary information relating to the design of the product which has not yet been released to the market. The public disclosure of this information prior to market launch may be harmful to the applicant and provide unjust benefits to its competitors. A period up to 180 days is requested to protect this information before formal market launch. If the launch date is re-scheduled to be earlier than 31 March 2016 we will inform you again to cancel this restriction.

Yours faithfully

Patricia Pépper
Regulatory Affairs Officer
