

# SDL330 Labels

## Compliance Labels:

Shearwell Data Ltd. will place different compliance labels on the back of the SDL330 device, depending on which region in which each device is intended to be sold. The permanent self-adhesive (3M 468) compliance label is located on the bottom of the reader in a small, recessed area, as indicated below.

The different compliance labels are as follows:

REF SDL330 SN 123456  
FCC ID: YVSSDL330  
FCC FRN: 0019632611  
IC: 8856A-SDL330

**North America:** This label is located on the bottom of the reader and contains the model number and serial number of the device. Other information includes:

- **FCC ID:** Unique ID registered with the US Federal Communications Commission.
- **FCC FRN:** FCC Registration Number of Shearwell Data Ltd.
- **IC:** Registration number with Innovation, Science and Economic Development Canada.

Shearwell Data Ltd.  
Wheddon Cross  
Minehead, TA24 7AS  
REF SDL330 UK UK  
SN 100001 CANI

**Europe:** This label contains the model number and serial number of the device, along with the UK address of Shearwell Data Ltd. There are 3 compliance marks:

- **CE:** The product complies with the relevant EU legislation.
- **UKCA:** The product complies with requirements for sale in GB.
- **UKNI:** The product complies with requirements for sale in NI.

## Logo Label

The Shearwell Data logo will be affixed to the top of the device as shown below.
