**MEMORANDUM**

<b>TO:</b>	MET Laboratories, Inc. 914 West Patapsco Avenue Baltimore, MD 21230	<b>DATE:</b>	5/14/14
<b>FROM:</b>	QinetiQ North America, Inc. Technology Solutions Group 350 Second Avenue Waltham, MA 02451	<b>NAME:</b>	MEMO-1102190181
<b>CC:</b>		<b>REVISED:</b>	
<b>SUBJECT:</b>	Confidentiality Request for User Manual (1102197191)		

---

To whom it may concern:

QinetiQ North America, Inc. Technology Solutions Group (QNA TSG) requests that the user manual 1102197191 (User Manual, Automated Setup Tool) be held confidential, and be permanently withheld from public review, unless otherwise instructed by QNA.

The devices are designed for installation on utility poles and are not accessible to the general public, and are serviceable only by designated technicians. These user manuals also contain sensitive information that is not intended for use by non-technical personnel. The intended end user of the device, as well as the manual, is technical personnel only, and not the general public. Therefore, QNA requests that they not be shared with the public.

Please see signed contract VAN01: 3099350: v17, Schedule 11, which includes Information Protection clauses and serves the purpose of a Non-Disclosure Agreement.

Please contact me if there is any information you may need.

Sincerely,

Chuck DeLoid  
Senior Systems Engineer
