BG77 blocking bands

We, Essence Security International (ESI) Ltd., confirm that we use the following bands of the the BG77 , LTE Cat M1 & Cat NB2 Module:

Bands 2/4/5/12/13

And the other supported BG77 bands are not used with this application:

Bands 14/26/66/71

Those bands, 14/26/66/71, are blocked by software.

Thank you,

Tal Cohen
Technical Director of Regulatory, Certification and Reliability
