

Attestation Letter

October 30, 2024

Reference: FCC ID:YXG-ES900BG77

To whom it may concern:

This letter is confirmation of our request to apply for a C2PC for the LTE Cat M1 & Cat NB2 Module, model ES900BG77, approved under FCC ID:YXG-ES900BG77.

This evaluation concerns the use of this radio module in Essence Smartcare Ltd. host Emergency Pendant , model ES902MPRS-WL , FCC ID: 2ARFP-ES902MPRS

This letter is provided to state Essence Smartcare Ltd. has not performed any modification and not changed any characteristics of radio module, including output power, frequency range and antenna.

This Class II Permissive Change addresses the exposure distance when the radio is housed in the Essence Smartcare Ltd. host Emergency Pendant , model ES902MPRS-WL. Originally, the minimum exposure distance was 20 cm. The exposure distance now is considered for body-worn accessory exposure conditions as the module is used in body-worn device.

The Test Report No:(NIE) 75303RAN.001 of DEKRA Testing and Certification, S.A.U. attached to this application.

Sincerely yours,

Israel Gottesman
Standards Engineer
Essence Smartcare Ltd.
