Subj: AIS CLASS B SO INITIAL APPROVAL

We have reviewed the materials you have submitted with your emails dated January 6, 2025 requesting approval of your X-100 AIS Class B SO. This unit meets the requirements of the applicable international standards. The Certificate of Approval (COA) is enclosed.

The COA will remain valid for five years from the date of issuance, unless we suspend, withdraw, or terminate it. Terms of approval are on the reverse of the certificate. Any changes or alternation of components, construction or manufacturing location of the product may require a product to undergo additional testing, or requalification in order to keep its approval.

This letter and all attachments were delivered electronically to shannon.parsons@srt-marine.com. No hard copies will be provided. You are welcome to print as many copies as you wish. If you have any follow-up to this approval, please contact typeapproval@uscg.mil. Please reference ID#: Proj-2025-01-13T141454 in any correspondence related to this project.

Sincerely,

C. P. RABALAIS
Commander, U.S. Coast Guard
Chief, Systems Engineering Division
Office of Design and Engineering Standards
By direction

Enclosure: (1) USCG COA Number 165.156/61/0 dated 11 February 2025
