RE: GE Medical Systems, LLC Certification Applications
FCC ID: YYJ-5390144

To Whom It May Concern;

GE Medical Systems, LLC requests that the following materials in its applications for certification to be under Long-Term Confidentiality, pursuant to Section 0.457 and 0.459 of the Commission's rules, since they are considered Privileged and a Trade Secret:

- Assembly drawings, schematics and block diagrams
- Bill of materials

The above materials contain trade secrets and proprietary information not customarily released to the public. The public disclosure of these matters might be harmful to the Applicant.

In addition to the above mentioned documents, pursuant to Public Notice DA 04-1705 of the Commission's policy, in order to comply with the marketing regulations in 47 CFR Section 2.803 and the importation rules in 47 CFR Section 21204, while ensuring that business sensitive information remains confidential until the actual marketing of newly authorized devices. We are requesting the commission to grant short-term confidentiality request for the following attachments:

- External Photos
- Internal Photos

The Applicant understands that pursuant to Rule 0.457(d)(1)(ii), disclosure of this Application and all accompanying documentation will not be made before the date of the Grant of this application.
