Solder Board-Component View 3	 A photograph of a green printed circuit board (PCB) component, labeled 'HA_HD_PERPAD 505-44wv_PCB V1.1', positioned horizontally against a black millimeter ruler. The ruler is oriented vertically on the left side of the image, with markings from 0 to 100 mm. The PCB is approximately 100 mm long and 20 mm wide. It features several surface components, including two gold-colored circular pads on the left, a central component with a white label, and a small component on the right. The background is a light blue textured surface.
Solder Board-Component View 4	 A photograph of a yellowish-gold PCB component, possibly a heat spreader or a different layer of the same component, positioned horizontally against a black millimeter ruler. The ruler is oriented vertically on the left side of the image, with markings from 0 to 100 mm. The component is approximately 100 mm long and 20 mm wide. It features several small rectangular cutouts along its length. The background is a light blue textured surface.
