WARNING!

On devices with any type of display, may cause damage to eyes by
blinking, staring, and/or tracking. If you feel eye strain
or discomfort, it may occur, consult a qualified health professional.

To reduce the risk of eye strain or discomfort from prolonged screen viewing:

• Reduce Your Chair's seat height to provide support for your lower back. Adjust your seat height and arm chair to assume a comfortable and relaxed body position.

• Take frequent breaks when working at a computer. Every 20 minutes, look away from your screen for at least 20 seconds, and focus your eyes on any type of distant object, such as a book or a wall.

• Take breaks. Use frequent short breaks. Get up and walk around at least a couple of times every hour. Stretch your neck and shoulders and do a few deep breaths.

• This device is not a medical device. Do not use it with medical or dental implants or in the head or brain.
