RE: Cover Letter for FCC Application for Certification for WDS

To Whom it may concern:

We would like to file for our wireless drum rotation sensor (WDS) model WDS-107393 where we are pursuing its original certification according to rule parts in FCC 15.247.

The WDS is a wireless device that measures the ready-mix concrete temperature and acceleration in three axes.

The FCC ID number is Z6N – 107393
