

DoC Attestation Letter

Date: 2013-11-01

To: Federal Communications Commission
7435 Oakland Mills Road
Columbia, MD

We **8devices**, as the grantee of this project FCC ID: Z9W-CM2, would like to declare that the module (FCC ID: Z9W-CM2) is not a USB device, and cannot connect to USB port directly. If the OEM integrator used to be a computer peripheral, it should be confirmed that his products comply with the FCC 15.101 requirement.

Regards,
