Re: Certification for Lear Body Control Module Remote Keyless Entry Receiver
FCC ID: ZAFT6BCM

The device under test is manufactured by the grantee (**Lear Automotive Services (Netherlands) B.V. Philippine Branch**) and sold as an OEM product. Per 47 CFR 2.909, 2.927, 2.931, 2.1033, 15.15(b) etc..., the grantee must ensure the end-user has all applicable / appropriate operating instructions.

When end-user instructions are required, as in the case with this product, the grantee must notify the OEM to notify the end-user.

Lear Automotive Services (Netherlands) B.V. Philippine Branch will supply the following information to the reseller/distributor dictating what must be included in the end user's manual for the commercial product, prior to sale/distribution of the commercial product in the United States of America:

INFORMATION TO BE INCLUDED IN THE END USER'S MANUAL

The following information must be included in the end product user's manual to ensure continued FCC regulatory compliance. The ID number must be included in the manual if the device label is not readily accessible to the end user. The compliance paragraphs below must be included in the user's manual.

FCC ID: ZAFT6BCM

This device complies with Part 15 of the FCC Rules. Operation is subject to the following two conditions: (1) This device may not cause harmful interference, and (2) this device must accept any interference received, including interference that may cause undesired operation.

WARNING: Changes or modifications not expressly approved by the party responsible for compliance could void the user's authority to operate the equipment.
