To: Federal Communications Commission  
Office of Engineering at Technology

Dear Sirs

Re: Request For Confidentiality for FCC ID:ZAKLIB-V1000E

Sub10 Systems Ltd respectfully requests that the FCC keeps permanently confidential the following data supplied pursuant to the application for Certification of the above product:

- a) Block Diagram (SUB10-0100\_00V01)
- b) Operational Description (SUB10-0100\_00V01)
- c) Bill of Materials (BOM)
- d) Schematic Diagrams
- e) SDR Related Exhibits

Sub10 Systems request is based on the inclusion in these documents of technically sensitive information and public availability of this would seriously harm the competitive position of Sub10 Systems.

Yours sincerely,

Clem Fisher  
Regulatory Manager
