

2016-12-22

Attention: Application Examiner

RE: Change in ID
Applicant: Kopin Display Corporation
FCC ID: ZAOSOL0S001

To Whom It May Concern:

Request is hereby submitted by Kopin Display Corporation to change the FCC ID of previously authorized equipment. The original FCC ID: T7V1316 by Panasonic Industrial Devices Europe has been authorized by the original party for change in ID to Kopin Display Corp. The original date of equipment authorization was on 2013-04-19 by Panasonic Industrial Devices Europe.

The equipment bearing the modified ID number of ZAOSOL0S001 by Kopin Display Corp. is not modified in any way. It uses the radio module, including on-board ceramic antenna, in its original configuration. The test results of equipment bearing the changed identification number continue to be representative of the original ID.

Sincerely,

John Gassel
Principal Electronics Engineer
Kopin Display Corporation
