

## **SETUP PHOTOGRAPHS**

This document contains 8 photographs

**Photograph No.1**  
**Setup for in band radiated emission measurements at OATS**

**Photograph No.2**  
**Setup for out of band radiated emission measurements below 30 MHz in the anechoic chamber**

**Photograph No.3**

**Setup for out of band radiated emission measurements above 30 MHz at OATS, general view**

**Photograph No.4**  
**Setup for out of band radiated emission measurements above 30 MHz at OATS, EUT view**

**Photograph No.5**  
**Setup for out of band radiated emission measurements above 30 MHz at OATS, EUT view**

**Photograph No.6**  
**Setup for frequency stability test**

**Photograph No.7**  
**Setup for occupied bandwidth test**

**Photograph No.8**  
**Setup for conducted emission measurements in shielded room**
