Re: FCC ID: ZC5022-GEN2-FP

To Whom It May Concern:

The following application is submitted on behalf of our client, U.S. Jetting, for evaluation of their model 022-GEN2-FP for certification under FCC Part 15.231.

The 022-GEN2-FP is a foot pedal switch part of the Gen II Wireless Remote Control System and works in conjunction with the main control board. The basic operation of the foot pedal switch is to turn water on/off and to shut down the system in case of emergency.

The 022-GEN2-FP was tested in full to the requirements of the aforementioned rules and was found to be in compliance.

Sincerely,
