Request for Confidentiality

Date: \_1214,2021\_\_

Subject: Confidentiality Request for: ZCASMA226BN1

Pursuant to FCC 47 CFR 0.457(d) and 0.459 and IC RSP-100, Section 9.4, the applicant requests that a part of the subject FCC application be held confidential.

Table with 3 columns: Type of Confidentiality Requested, Exhibit, and checkboxes for Permanent/Short Term. Exhibits include Block Diagrams, External Photos, Internal Photos, etc.

SAMSUNG Electronics has spent substantial effort in developing this product and it is one of the first of its kind in industry. Having the subject information easily available to "competition" would negate the advantage they have achieved by developing this product.

Permanent Confidentiality:

The applicant requests the exhibits listed above as permanently confidential be permanently withheld from public review due to materials that contain trade secrets and proprietary information not customarily released to the public.

Short-Term Confidentiality:

The applicant requests the exhibits selected above as short term confidential be withheld from public view for a period of 180 days from the date of the Grant of Equipment Authorization and prior to marketing. Applicant is also aware that they are responsible to notify ACB in the event information regarding the product or the product is made available to the public before the requested period has expired.

NOTE for Industry Canada Applications:

regarding specific information that must accompany these requests.
