

Size:40*20mm

FCC ID: ZDE-AWS-60-E12

Product name: Intelligent body temperature screening system

Model No: AWS-60-E12

This device complies with part 15 of the FCC Rules. Operation is subject to the following two conditions:

- (1) This device may not cause harmful interference, and
- (2) this device must accept any interference received, including interference that may cause undesired operation.

FCC ID: ZDE-AWS-60-E12

Product name: Intelligent body temperature screening system

Model No: FBT-02

This device complies with part 15 of the FCC Rules. Operation is subject to the following two conditions:

- (1) This device may not cause harmful interference, and
- (2) this device must accept any interference received, including interference that may cause undesired operation.

FCC ID: ZDE-AWS-60-E12

Product name: Intelligent body temperature screening system

Model No: FBT-01

This device complies with part 15 of the FCC Rules. Operation is subject to the following two conditions:

- (1) This device may not cause harmful interference, and
- (2) this device must accept any interference received, including interference that may cause undesired operation.

FCC ID: ZDE-AWS-60-E12

Product name: Intelligent body temperature screening system

Model No: FFT-01/02

This device complies with part 15 of the FCC Rules. Operation is subject to the following two conditions:

- (1) This device may not cause harmful interference, and
- (2) this device must accept any interference received, including interference that may cause undesired operation.
