English(US/UK)

Thank you for your purchase of PERIBOARD-803 from Perixx. Before installing this product, please make sure your PC has Bluetooth dongle or feature. If your computer is not Bluetooth ready, please contact with your local dealer for the purchase of Bluetooth dongle.

Installation Procedure
1.Open the Bluetooth program of your system.
2.Please use "Search New Device" function in the program
3.Press the "Connect" Button of the Keyboard
4.Your system should find the Bluetooth Wireless Keyboard on your Bluetooth dialog.
5.Then double click the Bluetooth Keyboard icon, the system will give you a set of pin-code.
6.Please enter this pin-code on your Bluetooth keyboard directly. (Step 5 & 6 may differ from program to program, so please read your system or software manual.)
7.The program should show that the connection has been made, and the keyboard is ready to use
8.If the pairing process failed, please make sure your Bluetooth receiver is properly installed with driver.
  Please then repeat from step 1

Battery Low
Low Battery is indicated by the illumination of the keyboard lens. Please recharge the battery when the LED lights up.
