Subject: Monitoring Transmission Duration and the Frequency of Download Occurrences

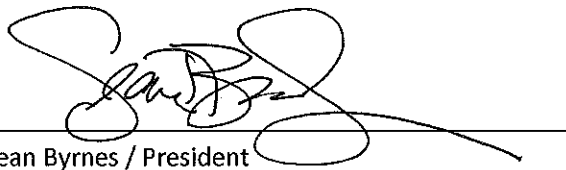

Reference: Applicant: Maywood LLC, FCC ID: ZEF-0610

To Whom It May Concern:

To address continued compliance in regard to RF exposure requirements, Maywood LLC and its content provider will monitor downloads to ensure the device is within the upper bound limitation. The upper bound transmission duty factor will be less than 12.8%.

In the event the transmission duty factor exceeds the conditions stated above, Maywood LLC will file a Class II permissive change application and seek an approval based upon conditions observed.
