Re: FCC ID No. ZEV-1229, Short-Term Confidential Treatment

To Whom It May Concern:

Okakopa LLC and its affiliated companies ("Okakopa") request short-term confidential treatment for the exhibits identified below to the application for equipment authorization under FCC ID No. ZEV-1229. Short-term confidentiality is requested for a total period of 180 days from the grant of the application per the FCC's Public Notice of June 15, 2004 (DA 04-1705):

User's Guide;  
Internal Photos;  
External Photos;  
Radiated Test Setup Photos; and  
SAR Test Setup Photos.

We are making this request to comply with the marketing regulations in 47 CFR § 2.803 and the importation rules in 47 CFR § 2.1204, while ensuring sensitive information remains confidential until the actual marketing of authorized devices. The information contained in the exhibits would be of great value to our competitors if discovered prior to public disclosure of the devices. Consequently, premature disclosure would cause financial harm to us by allowing others to alter their own product plans and announcements to the detriment of Okakopa.

Respectfully,

Teresa Premeaux  
President, Okakopa LLC
