Subject: Confidentiality Request; Certification Application FCC ID: ZGN0929

Pursuant to Sections 0.457 and 0.459 of CFR 47 *Company RADE TECNOLOGIAS* request that the following information, provided to support the FCC application for the *Equipment "DW M16"*, FCC ID: ZGN0929, be held permanently confidential:

<u>Exhibit name</u>	<u>File reference name/number of files</u>	<u>Number of pages per file</u>
Parts List/BOMs:	"6_P0058.11 BOM Control Unit.pdf"	1 page
Operational Description:	"7_Operational Description_12_Block Diagram_v3.pdf"	10 pages
Operational Description:	"125KHz_Transmitter_Operational Description.pdf"	2 pages
Block Diagram:	"125KHz_Transmitter_Block Diagram.pdf"	2 pages
Internal Product Photographs:	"9_Internal Photographs_DWM16_v3.pdf"	4 pages
Schematics:	"13_Control Unit Schematic.pdf"	1 page

The request for confidentiality of internal photos is justified on the basis that the circuit board assembly is completely sealed in epoxy resin when mounted in the equipment enclosure and the circuit board would be destroyed if it was removed.

The above material contains trade secrets not customarily released to public that are judged to have the potential to cause detriment to the applicant and provide unjustified benefits to its competitors. This information should not be available for public disclosure for an indefinite period of time.

Yours sincerely,

Raquel Felipe
