PCTEST TCB
6660-B Dobbin Road Columbia
MD21045, USA

SUBJECT: LG Electronics USA MobileComm
FCC ID: ZNFP714
Model: LG-P714

Gentlemen:

We, LG Electronics MobileComm USA hereby confirm that below devices are electrically identical to the base model <Model: LG-P714, FCC ID: ZNFP714>.

* Additional model: LG-P712, LGP712, P712

This letter confirms that there have been no changes or modifications to the models being added except for the following:

1. The difference between LG-LS720 and LG-VM720 is for a different region and carrier.
 - * LG-P712/LGP712/P712: For Argentina
 - * LG-P714/LGP714/P714: For Latin America except for Argentina

Should you have any questions or comments concerning the above, please contact the undersigned.

Sincerely,

A handwritten signature in black ink, appearing to read 'Jacob Cho'.

Jacob, Cho
Director
On behalf of LG Electronics Mobilcomm USA, Inc.
