To Whom It May Concern:

Learn.net respectfully requests permission to place the required 2-part statement, defined in CFR47 paragraph 15.19, in the user manual. This request is based on the small size of each unit. Learn.Net, Inc. proposes this text be placed in the Owner's manual for the Model 800-2407 Remote Control Unit and Model 810-2407 Receiver system. Precedence for this request is based on prior licenses for identically sized equipment (Reference ZNQ2207 and ZNQ2207R).

Sincerely,

Kenneth F. Leddick
