

Difference Description

The submitted samples SR-182C, SR-183C, SR-652C, SR-182R, SR-183R, SR-652R, IH-11A, IH-11B, IH-11C, IH-11D and IH-11E are Induction Cookers with electronic control. The differences among them are as below:

- The five basic models SR-182C, SR-183C, SR-652C, SR-182R and SR-652R have the same main control PCB, but display PCB is different
- The models SR-183R are the same as SR-182R except the model name.
- The five basic models all have another manufacturer names, the relationship is as below:
 - SR-182C----- IH-11A
 - SR-183C----- IH-11B
 - SR-652C----- IH-11C
 - SR-182R----- IH-11D
 - SR-652R----- IH-11E
