Fax 404.573.5827

**To Whom It May Concern:**

**Subject: Similarity with Sister Products – Product Portion Equality**

WE, Verizon Telematics Inc., 2002 Summit Blvd.; Atlanta, GA 30319;

confirm that our product model no. AT-155, for which we apply for FCC certification under FCC ID: ZOQAT-155,

is identical to the the previously FCC approved sister model AT-255, (FCC ID: ZOQAT-255) and has the same Bluetooth portion, but contains a different cellular radio module;

is identical to the the previously FCC approved sister model AT-150, (FCC ID: ZOQAT-150) and has the same identical Sierra Wireless 850/1900MHz CDMA2000 radio module SL3010T (FCC-ID: N7NSL5011) integrated, but contains a different Bluetooth radio module;

Based on above equalities validity of related radio test results can be assumed.

Nevertheless, delta testing has been applied and related evidence is filed to ensure ongoing compliance with the relevant FCC part 15, 22, 24 and RF exposure rules.

For Verizon Telematics Inc.,

Bryant Elliott  
Senior Director of Engineering

June 15, 2015

A handwritten signature in black ink, appearing to read "Bryant Elliott", written over a horizontal line.
