

2.4GHZ WIRELESS SUBWOOFER

Add-On Peripheral to AudioBulb System

Owner's Manual

AB-D10

Meet AudioBulb

AudioBulb combines light, sound, and wireless technology to create a multi-room system. Installation is simple and easy, no additional wiring needed.

With the addition of subwoofer to your pre-existing AudioBulb system, it will enhance your overall listening experience.

Your music will not sound the same.

PRECAUTIONS

Follow the instructions below to ensure the product is used safely and correctly.

PLACEMENT

- Do not use the unit in environment with extreme climate. Avoid exposure to direct sun light or humid conditions. This item is designed for indoor use only.
- Place the unit on a flat, even surface.
- Do not restrict the airflow around the unit by placing it in a place well ventilated place. Avoid covering with cloth or carpet. By covering it with a cloth, or by placing it on a carpet.
- Do not place the unit close to heat sources.
- Use the apparatus only in moderate climates.
- Do not expose the unit to rain or splash with water.
- Do not place objects filled with liquids, such as vases on the unit.

SAFETY

When connecting and disconnecting the AC power cord, take hold of the plug and not the cord. Pulling the cord may damage it and may be dangerous.

- The mains plug is used as the disconnect device. The plug must be easily accessible.
- When you are not going to use the unit for a long period of time, disconnect the AC power cord from the AC mains outlet.
- Do not attempt to dissemble or modify this product. There are no user serviceable parts inside, and any unauthorized modifications will void the warranty.
- The subwoofer is designed as an added peripheral to your pre-existing AudioBulb system only.

AC VOLTAGE

- Before use, check that the rated voltage of your unit matches your local voltage.

CONDENSATION

When there is condensation inside the unit, it may not function normally. Unplug the unit for 1 to 2 hours before turning the power back on, or gradually heat the room up and dry the unit before use.

- Ensure a minimum distance of 5 cm around the unit for sufficient ventilation.
- Do not cover the ventilation openings.

PRECAUTIONS

The lightning flash with an arrowhead symbol within a triangle is a warning sign alerting the user to the presence of dangerous voltage inside the unit.

CAUTION

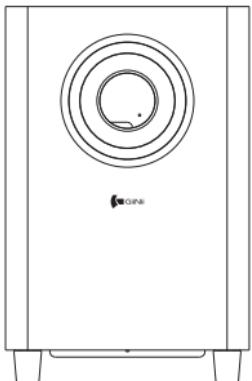

RISK OF ELECTRIC SHOCK
DO NOT OPEN

ATTENTION: To reduce the risk of electric shock, do not remove the cover. There are no user serviceable parts inside the unit. Refer all servicing to qualified personnel.

The exclamation mark within a triangle is a warning sign alerting the user to the presence of important instructions accompanying the product.

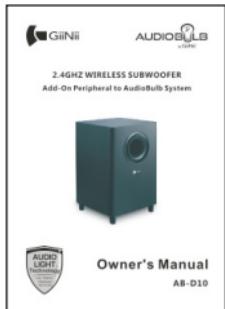

WHAT'S IN THE BOX

1. Wireless Subwoofer

2. Pin for pairing

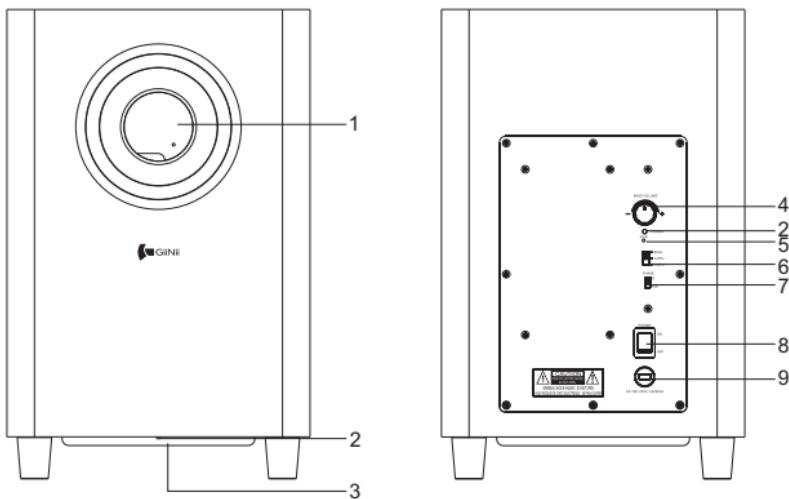

3. Owner's Manual

EASY SETUP

1. Subwoofer at a glance

AudioBulb wireless subwoofer

1. Bass reflex tube
2. Standby/Power LEDs (2x)
3. Speaker
4. Bass volume control
5. PAIR button
6. Crossover frequency switch
7. PHASE switch
8. POWER ON/OFF switch
9. AC cord

2. Power Supply

Connect the AC power cord to the AC mains and the other end to a wall outlet.

EASY SETUP

3. Pairing

Pairing the subwoofer is essential for receiving transmission signals from the docking station.

To set-up subwoofer to either zone:

- a. Press the PAIR located at the bottom of docking station.
- b. Point remote control at the docking station and press down on Zone 1 or Zone 2 button, and the connect indicator light on docking station will flash rapidly.(AUX indicator will flash when pairing Zone 2).
- c. Make sure Subwoofer is powered on.

MAINTENANCE

Care and maintenance

To clean the casing, unplug the unit and wipe off dust and stains with a soft, damp cloth. Do not use benzene, thinner or similar chemicals to clean the casing.

If at any time in the future you want to dispose of this product, please note that electrical products should not be disposed of with household waste. Find out where your nearest recycling centre is. Consult your local authority or retailer for more details.

(Waste Electrical and Electronic Equipment Directive)

Frequently Asked Questions

1. The Subwoofer does not work properly

- a. Make sure the unit is powered ON.
- b. Reset the unit by unplugging the AC power cord for a few seconds, then plugging it back in.
- c. Try re-pairing the Subwoofer again.

2. There is no music coming out of the Bulb, what should I do?

- a. Verify that there is electricity to the Bulbs.
- b. Double check to see that the correct music source is selected.
- c. Try re-pairing the bulbs with docking station, please refer to the Pairing Guide on page 14.
- d. Do not install these bulbs on a socket with dimmer switch.
- e. Make sure iPhone is UNLOCKED before docking for full compatibility.

3. There is buzzing coming from the speakers, how can I eliminate it?

The maximum distance between the base and the bulb should not exceed 50 to 100ft depending if there is interference, clear the air space that may be blocking the signal. It is also recommended to have clear space between other wireless products, such as wireless phones or internet routers.

4. My question is not answered, where can I get more support on this?

Please call us, toll free, at 1-866-909-3550 for troubleshooting and warranty services. Please have the receipt information handy.

FCC WARNING

This equipment has been tested and found to comply with the limits for a Class B digital device, pursuant to Part 15 of the FCC Rules. These limits are designed to provide reasonable protection against harmful interference in a residential installation. This equipment generates uses and can radiate radio frequency energy and, if not installed and used in accordance with the instructions, may cause harmful interference to radio communications. However, there is no guarantee that interference will not occur in a particular installation. If this equipment does cause harmful interference to radio or television reception, which can be determined by turning the equipment off and on, the user is encouraged to try to correct the interference by one of the following measures:

- Reorient or relocate the receiving antenna.
- Increase the separation between the equipment and receiver.
- Connect the equipment into an outlet on a circuit different from that to which the receiver is connected.
- Consult the dealer or an experienced radio/TV technician for help.

This device complies with Part 15 of the FCC Rules. Operation is subject to the following two conditions: (1) This device may not cause harmful interference, and (2) this device must accept any interference received, including interference that may cause undesired operation.

Any changes or modifications not expressly approved by the party responsible for compliance could void the user's authority to operate this equipment.

GIINII PROTECTION: WARRANTY INFORMATION

WARRANTY COVERAGE:

This warranty obligation is limited to the terms set forth below.

WHO IS COVERED:

This product is warranted to the original purchaser or the person receiving the product as a gift against defects in materials and workmanship as based on the date of original purchase ("Warranty Period") from an Authorized Dealer. The original sales receipt showing the product name and the purchase date from an authorized retailer is considered such proof.

WHAT IS COVERED:

This warranty covers new products if a defect in material or workmanship occurs and a valid claim is received within the Warranty Period. GiiNii warrants this product to be free from defects in materials and workmanship (subject to the terms set forth below) for a period of three(3)years from the date of purchase for the LED light and one (1) year from the date of purchase for the rest of the components. At its option, the company will either (1) repair the product at no charge, using new or refurbished replacement parts, or (2) exchange the product with a product that is new or which has been manufactured from new, or serviceable used parts and is at least functionally equivalent or most comparable to the original product in current inventory, or (3) refund the original purchase price of the product. The Company warrants replacement products or parts provided under this warranty against defects in materials and workmanship from the date of the replacement or repair for the remaining portion of the original product's warranty. When a product or part is exchanged, any replacement item becomes your property and the replaced item becomes the company's property. When a refund is given, your product becomes the company's property. Replacement product can only be sent if all warranty requirements are met. Failure to follow all requirements can result in delay.

WHAT IS NOT COVERED

EXCLUSIONS AND LIMITATIONS:

This Limited Warranty applies only to the new products that can be

GIINII PROTECTION: WARRANTY INFORMATION

identified by the trademark, trade name, or logo affixed to it. This Limited Warranty does not apply to any non-GiiNii hardware product or any software, even if packaged or sold with the product. Non-GiiNii hardware manufacturers, suppliers, or publishers may provide a separate warranty for their own products packaged with the bundled product. The Company is not liable for any damage to or loss of any programs, data, or other information stored on any media contained within the product, or any non-GiiNii product or part not covered by this warranty. Recovery or reinstallation of programs, data or other information is not covered under this Limited Warranty. This warranty does not apply (a) to damage caused by accident, abuse, misuse, neglect, misapplication, or non-GiiNii product, (b) to damage caused by service performed by anyone other than an Authorized Service Location, (c) to a product or a part that has been modified without written permission, or (d) if any serial number has been removed or defaced, or (e) to a product, accessories or consumables sold "AS IS" without warranty of any kind by including refurbished GiiNii products sold "As IS" by some retailers.

THIS LIMITED WARRANTY DOES NOT COVER:

- Shipping charges to return defective product.
- Labor charges for installation or setup of the product, adjustment of customer controls on the product, and installation or repair of any part outside of the product
- Product repair and/or part replacement because of improper installation or maintenance, connections to improper voltage supply, power line surge, lighting damage, retained images or screen markings resulting from viewing fixed stationary content for extended periods, product cosmetic appearance items due to normal wear and tear, unauthorized repair or other cause not within the control of the company.
- Damage or claims for products not being available for use, or for lost data or lost software.
- Damage from mishandled shipments or transit accidents when returning product.
- A product that requires modification or adaptation to enable it to operate in any country other than the country for which it was designed, manufactured, approved and/or authorized, or repair of products damaged

GIINII PROTECTION: WARRANTY INFORMATION

by these modifications.

- A product used for commercial or institutional purposes (including but not limited to rental purposes).
- Product lost in shipment and no signature verification receipt can be provided.
- Failure to operate per User Manual.
