RE: Certification Application
FCC ID: ZRE3A001-0B1

To Whom It May Concern:

Please be advised that confidentiality has been requested on certain aspects of this application, which it is understood are not routinely confidential:

- Internal photographs
- Installation instructions

The device is not for consumers, but used in security applications such as protecting water installations from malicious contamination. The devices are not normally accessible as they are housed behind the locked hatches of the water installation that are only serviceable by the designated technicians.

The installation instructions are technical documents not normally available to the user, but only the installer and only once a NDA has been signed, a copy of which is provided with this application.

- Non Disclosure Agreement US EK 20110105 V002 R000.pdf
- signed NDA 4 King Security.pdf

Thank you for your attention to this matter.

Yours faithfully
