Subject: FCC ID: ZT8LS-450 Justification Letter for Expanded Frequency Range 400-470 MHz

Gentlemen;

You have asked **Reliable Two Way Communication** for justification to have the freq range **400-470 MHz** appears on the face of the FCC Grant of Certification for a Part 90 Certification. This frequency range is regarded as usual & customary by United States Federal Government and its various departments, user organizations and the military to appear on the face of the equipment Grant of Certification.

(1)**Reliable Two Way Communication's** Marketing Department plans to ensure that USA users, other than those specifically identified in this letter, not operate within bands **400-406.1 MHz**, as controlled by the users' FCC station license.

(2) This device will not be marketed to USA users, other than those identified in the letter, namely the US Government and its various departments & military, for operation in **400-406.1 MHz** frequency range.

Sincerely,

Reliable Two Way Communication
